The home boasts a large open plan living area with modern facilities including individually locked cupboards for each student and an internal laundry. The bathroom is shared by 4 of the rooms and a separate w/c can be located downstairs also.

Each of the rooms provide either a single or double bed, wardrobe, student desk & chair. Additionally, the upstairs bedrooms provide individual ensuites and air conditioning.

With public transport is a short stroll away, the property is ideally suited to those without cars as there is limited on street and no off street parking at this house. Sorry no pets.
