The master bedroom features a walk in robe, split system air-conditioning & a ensuite featuring semi frameless shower and W/C.

The other 3 carpeted bedrooms have built in wardrobes to provide that excellent storage solution, and both also do have split system air-conditioning units for those hot summer months!

An open plan modern kitchen, with stunning spacious island bench, has an induction cooktop, electric oven and a dishwasher, opens up to large living and dining space and also provides direct access to the rear courtyard.
